Makers of the Award-Winning Cascade Server content management software

Call for Speakers

We're looking for speakers! Based on feedback from our last user's conference, we want to offer more case studies and user-driven sessions. Are you proud of your Cascade Server implementation? Did you use Cascade Server to solve a particular business problem?

Consider sharing it with the rest of us! We'd love to hear about...

- Cool customizations, e.g., plugins or scripts
- Solutions to big problems, e.g., workflow or content importers
- Integrating Cascade Server with other applications
- Tips and tricks for website management

Speakers will receive free conference passes, our undying appreciation, and the admiration of all your peers.

Deadline for 2007 submissions has passed... Stay tuned for information about the 2008 Cascade Server User's Conference!
