Makers of the Award-Winning Cascade Server content management software

Newsletter for 2002, Vol. 12 - December

Features This Issue Happy Holidays SuperUpdate New User License Policy Change December Special Offer (Free Professional Installation) Technology Tip Georgia Technology Forum Highlights For Thanksgiving we had our annual Thanksgiving lunch. The bountiful spread of ham, turkey, sweet potato casserole, and the accompanying desserts of pumpkin, peach and apple pie were splendid. Thanks to everyone for coming and sharing your nourishing dishes. Also, keeping with the spirit of Thanksgiving, we would like to thank everyone we've worked with this year for all your hard work and business. We hope all our friends of Hannon Hill had a great "Turkey Day" and we send our best wishes for everyone to have a happy holiday season to end this very fruitful year of 2002. For more information please visit: <http://www.hannonhill.com/> New SuperUpdate Partners Announcement Hannon Hill would like to welcome Planet2net, CommerceStore, and DataNet Development Group to our wonderful list of partners. We look forward to working with you and all of our SuperUpdate customers in the year to come. Let's make 2003 a year to remember!! December Special Offer (Free Professional Installation) Special offer! Buy SuperUpdate Express, SuperUpdate Pro, or SuperUpdate Advanced before December 31, 2002 and get professional installation and configuration - a \$200 value - absolutely free! With this great offer there's no reason not to try SuperUpdate today. Technology Tip Can I use the installation on one server to update multiple websites (URLs) that reside on the server? Yes, you can manage as many virtual domains as you like with one installation of SuperUpdate on a web server. With SuperUpdate you can setup separate accounts for each website and have separate usernames and passwords. You will need a separate named-user license for each user. About Hannon Hill Corporation Based in Atlanta, Georgia, Hannon Hill Corporation develops award-winning content management software for small to medium-sized businesses. Hannon Hill is committed to building software that gives webmasters strict control over their websites, while providing business users an easy, yet powerful method to manage online content.
