Hannon Hill at Search Engine Strategies in San Jose, CA

Hannon Hill is exhibiting next week at the Jupiter Media Search Engine Strategies show in San Jose, California. Please stop by our booth, number 419, either Tuesday August 3 or Wednesday August 4. For more information, please visit the site online:

<http://www.jupiterevents.com/sew/summer04/hannonhill.html>

Also, drop your business card off for a chance to win a brand new iPod Mini. We look forward to seeing you there!

New Hannon Hill Logo Design

We are working on a new logo for Hannon Hill. If you have any ideas please let us know. We appreciate any and all feedback!

Technical Tip

Did you know Cascade Server has support for LDAP and Microsoft Active Directory? Cascade Server can synchronize with your existing user management system providing a single sign-on experience. This is especially important for rolling Cascade Server out to a large number of users and for centrally managing access information.
