Hannon Hill Team Blog

We have a lot of fun at Hannon Hill, and to give our friends a better peek into our world, we've launched our new Hannon Hill [Team Blog!](#). Our goals are to let everyone get to know the people behind the software, and to offer a new, less formal, avenue for interaction and collaboration.

New Team Members

Please welcome the following new team members:

Joel Stevens

Joel joins our Services team as an Integrator. A Georgia native, Joel is a graduate of University of Georgia with a degree in computer science. He has worked in public affairs, and as a PHP web developer before coming to Hannon Hill.

Ben Ku

A native of Atlanta, Ben graduated with highest honors from Georgia Tech with a degree in computer science. Ben joins our Cascade Server development team, where his Java skills will definitely come in handy.
