Announcing CMS Tube!

[CMS Tube](#) adapts the idea of a purely rich-media site, like [YouTube](#), for our product.

Here you can find all of the videos that are currently on the Knowledge Base as well as all of our podcasts, conveniently separated into easy-to-use categories or archives.

[CMS Tube](#) is a great way to stay in touch with the latest developments in Cascade Server, all in one comprehensive site.

New Team Members

Kevin Goldstein

Kevin joins our sales team after relocating to Atlanta from Lawrence, Kansas. Originally from Montgomery, AL, he holds a bachelor of science degree in journalism - strategic communications from the University of Kansas. Before coming to Hannon Hill, Kevin managed an auction consignment company and worked in the telecommunications industry.

Lila Richardson

Originally from Queens, New York, Lila has worked as a consultant and trainer for various companies in the midwest and southeast. She joins our services team as a trainer. Lila holds a bachelor of business degree in management information systems from the University of Georgia.

Beth Willis

A Georgia native, Beth holds a bachelor of science degree in computer science from North Georgia College. Before coming to Hannon Hill as a sales consultant, Beth worked in QA and as a technology consultant.
