Methodology

The 2007 Inc. 500 list measures revenue growth from 2003 through 2006. To qualify, companies had to be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2006, and have had at least \$200,000 in revenue in 2003, and \$2 million in 2006.

Companies can apply for next year's Inc. 500 and Inc. 5,000 by registering with IncBizNet, the new social network for private companies that will launch this fall on Inc.com.
