Tuesday, December 23rd, 2008 at 3:50pm -- David Cummings

As the year draws to a close, we here at Hannon Hill would like to take a moment to thank you, our customers, for constantly pushing us to make our products better and our service exceptional, and ultimately, for making our company a success. 2008 was a tremendous one for Hannon Hill; here's a few of Hannon Hill's highlights from the past year:

- we completely revamped and [re-launched](#) our Knowledge Base
- we signed our [100th Higher Education client](#)
- over 120 users attended the [Cascade Server Users Conference 2008](#)
- we released Cascade Server versions [5.1](#), [5.2](#), [5.5](#), and [5.7](#)
- we launched [eCrowds](#), a brand new SaaS content management & community platform
- we announced the [development of Cascade Delivery Server](#), a product that will facilitate the incorporation of user-generated content and social media with Cascade Server

Once again, Hannon Hill thanks all of our customers for their continued support and invaluable feedback. We wish you all a happy holiday season and a wonderful new year, and we look forward to providing you and your organizations with innovative products and excellent service and support in 2009!
