Makers of the Award-Winning Cascade Server content management software

---

## End User Flash Demo

---

Cascade Server allows non-technical content authors to manage their own online content, while maintaining brand consistency and standards compliance.

This demo focuses on functions of End Users in the CMS:

- The Dashboard and its elements
- The Asset Tree and its organizational functionality
- Creating and editing content
- The WYSIWYG Editor
- Content repurposing to multiple formats
- Archiving of content
- Dynamic navigation generation

### [View the End User Walkthrough](#)

This Flash demo is optimized for Flash Player 8. Please download the latest version:
